

Transition to school visits for pre-schoolers who start school in 2020

We will be having transition visits every fortnight, even weeks of school. We recommend that you bring your child for 3 visits **just prior to starting school**. These will occur on Thursday's from 9.30-10.30 in Room 8. Please report to the office first and ensure that you have completed all your enrolment paperwork before commencing these visits. It is a legal requirement that you stay with your child during these visits. Please email in advance to confirm your first preschool visit.

A parent information meeting will be held once a term to inform and support you and your child starting school.

Any queries please email the Deputy Principal Juliet Vickers
