INTRODUCTION

All technology is to be used for an educational purpose and I understand that by signing the agreement below I am agreeing to uphold the expectations of a digital learner as outlined below.

CENTRAL SCHOOL STUDENTS' I.T. Use Agreement

I agree that:

- Parental/caregiver permission allows me the right to use I.T. at Central School.
- I can only use the computers and other I.T. devices for learning and only with a teacher present.
- I will be careful with, and respect all our I.T. equipment.
- I can only use the Internet at school when a teacher gives permission.
- I will show integrity when using the internet.
- If I find anything that upsets me, is mean or rude, or things I know are not acceptable, I will get adult help straight away.
- I will use only my first name online.
- I understand that if I break these rules the school will inform my parent(s) and it is likely to result in loss of privileges.
- Images (static and moving), of me and my learning might be posted online, or shared with outside agencies to support my learning.
- Google Apps for Education (GAFE) will be used to further my learning.
- Seesaw will be used to share my learning.
- Seesaw is private to Central School.
- I will only use my own Seesaw account.

Please return this agreement to school:

If you wish to discuss this further please contact the school.
