

## Central School Te Kura Waenga O Ngāmotu

### Term 4 Extra-Curricular Sports 2019

Please note that registrations will only be accepted either on KINDO or through the correct registration forms at the office and accompanied with the correct payment. Player allocation will be on a first in basis. It is essential that each team has a manager or a coach in order for the team to go ahead so please consider helping out. Sometimes teams may not have enough players which unfortunately will mean that the team will not be able to play. Further information for most of these sports can be found on their websites. For some of these sports I have not received information on closing dates but will send an alert out on our school app.
